This document is to help you (valued customer) to help access, edit, and use the tournament sign up we've created.

To access website, use the address: 167.99.226.133:884.

To edit what's in the database use MYSQL Workbench and connect to it with the address 167.99.226.133. Port number: 3306. *You already have the admin info, use this for username and password.*

Your own customers will go the same address to login and sign up for tournaments and view tournaments.
